# CROSSLAND

Crossland interpreta l'aspetto dei materiali naturali con sorprendente fedeltà, sia nei colori che nelle texture superficiali, mantenendo un aspetto estremamente realistico con caratteristiche tecniche superiori alla pietra naturale. Quattro le soluzioni cromatiche disponibili, dai toni sofisticati e mai ripetitivi, arricchite da mosaici e decorazioni 3D danno vita ad ambienti indoor e outdoor contemporanei ed essenziali, in totale armonia con la natura. La forza materica della pietra rivive in questa nuova collezione, frutto di un sapiente mix di tradizione, innovazione e tecnicismo.

Crossland remarkably captures the essence of natural materials, delivering a strikingly realistic effect in both colour and surface texture, with superior technical characteristics that surpass natural stone. Available in four unique and sophisticated colours, enhanced by mosaics and 3D decorations, this collection brings a contemporary and minimalist aesthetic to both indoor and outdoor spaces, seamlessly blending with nature. The collection's stone-like material strength is the result of a skillful mix of tradition, innovation, and technical expertise
